I am a skilled Junior Full-Stack Software Engineer seeking to transition into a new career after completing an intensive 16-week skills bootcamp with Code Institute, along with individual learning, projects and work experience. I have strong proficiency in HTML, CSS, JavaScript, and Python, along with hands-on experience using Bootstrap and Django frameworks. Passionate about creating innovative solutions, I am eager to bring my technical expertise and enthusiasm to a dynamic development team. My commitment to continuous learning positions me well to make a significant impact within any environment.

PROFESSIONAL EXPERIENCE

Wholesome Hub: Front-End Website

June - July 2024:

I created a responsive front-end website for a coffee business. Please click [here](#) (not complete) to see the website.

Wholesome Hub: Barista and Supervisor

November 2023 - March 2024:

I communicated effectively with customers, coordinated staff, ensured smooth operations, and resolved any issues promptly for excellent service.

Springfield Supplies: Sales and Marketing Assistant

August - November 2023:

I created engaging content, designed promotional materials, developed innovative campaigns, and generated fresh ideas to boost sales.

SOHO Coffee: Barista

August 2022 - August 2023:

I utilised organisational skills to manage inventory, coordinate shifts, maintain a tidy workspace, and ensure efficient service operations.

Striders Network: Brand Ambassador

May - July 2022:

I led promotional events, motivated team members, demonstrated product expertise, and drove brand awareness through strategic leadership and engagement.

Cafe Du Jour: Barista

November 2021 - May 2022:

I collaborated with colleagues, ensured smooth workflow, supported team tasks, and maintained a positive atmosphere for excellent customer service.

Midas Construction: Procurement Assistant

September 2020 - November 2021:

I employed technical literacy to manage inventory, analyse purchasing data, maintain databases, and optimise procurement processes effectively.

Boots: Photography Assistant

November 2018 - September 2020:

I reliably supported shoots, managed equipment, assisted with set-up, and ensured smooth operations for successful photo sessions.

EDUCATION

Code Institute

March - July 2024:

A 16-week Skills Bootcamp, covering: HTML, CSS, JavaScript and Python.

- [Hackathon 1 \(HTML & CSS\)](#)
